

Financial Hardship Program:

Saco River Medical Group is committed to providing Care to our patient's regardless of their financial status.

The Financial Hardship Program is available for medically necessary services, in which you may qualify for reduced cost.

Complete the [discounted/sliding fee application](#) and provide documentation of proof of household income. Appropriate documentation providing proof of income is one of the following:

Copies of your last tax return

2 recent pay stubs

Are required for each contributor in your household before a discount is approved.

Eligibility Period

The patient's account will never be permanently designated as financial hardship. The status of financial hardship will be effective for 1 year. Once the term has ended, the patient will need to reapply and provide recent income information.

All information relating to financial hardship request will be kept confidential

If you have any questions regarding the financial hardship application process, please call the Sherry in the billing office at: 603-447-3500 ext 115
